Integrated Learning Systems

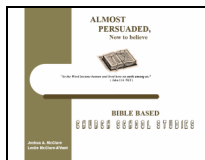

ALMOST PERSUADED, Now to believe (Softcover) Tate Publishing . . . \$12.99
2007 "13 tenets of the Christian faith made easy." . . .

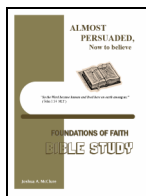

ALMOST PERSUADED WORKBOOK. . . . \$4.00 ISBN 978-1-61658-142-8
This companion to the textbook will aid and enhance ones understanding of the Christian faith. The workbook will help one to understand what the facts mean. The questions for reflection in this workbook correspond with each chapter of the text "Almost Persuaded, Now to believe." challenging one to deeper thought and reflection and increasing the understanding of God's purposes for life.

ALMOST PERSUADED TEACHING GUIDE. . . . \$4.00 ISBN 978-1-61658-143-5
This Teaching Guide will present learning styles of both children and adults. It will review current teaching methods and introduce a new dynamic teaching method designed to transform and restore God's creations back to himself. From the Scriptures it will outline simply and clearly God's plan of redemption for mankind.

CHURCH SCHOOL STUDIES. . . . \$12.75 ISBN 978-1-61658-144-2
A two year Bible based curriculum developed for all ages Kindergarten through Adult. The lessons are clear, focused, and moving, keeping the students attention as they build upon each other and lead a person to move persuasively from theory to life application.

FOUNDATIONS OF FAITH BIBLE STUDY. . . \$16.00 ISBN 978-1-61658-145-9
This comprehensive Bible based curriculum was developed for church Bible studies, homeschool, and family Bible study. Its purpose is to foster a basic understanding of God's desire for each of his created beings and it will draw people into a deepening relationship with Christ by placing the emphasis on God's plan of redemption.
